Hi Chintan,

The EPA RPM is Raji Josiam. Her phone number is 214-665-8529. Her e-mail is [Josiam.raji@epa.gov](mailto:Josiam.raji@epa.gov).

The meeting is scheduled for April 17<sup>th</sup>. I need to check with Paul Sarahan on the availability of his law firm's office in Dallas to see if we can hold the meeting there. If so, we hope to use their video conferencing capabilities for a live video feed at their Houston office for those in Houston who'd like to participate without having to drive to Dallas. We also hope to have a conference line for anyone else who can't make either the Dallas or Houston venue but would still like to attend the meeting by phone. Otherwise, we'll have it at the EPA offices in Dallas, but won't be able to use the video conferencing. As soon as I get the details, I'll let you, Patrick and Bob know. I'm shooting for a 1 p.m. meeting if possible.

Ed, Connie and Mary:

Bob won't be able to attend the April 5 meeting in Dallas. However, we have hired NewFields LLC as our environmental consultant for the site. Patrick Gobb of New Fields LLC will be attending the meeting in place of Bob. Patrick is copied on this email.

Can you please forward to Patrick (copying me) contact information for the EPA Remedial Project Manager and Eric Pastor? He may call to get some bearings on the site, as he's getting up to speed. Also, can you send to him the logistical information for the meeting (i.e., time and place).

Thanks for your help in this matter.

Best regards,

Chintan Amin  
Sr. Counsel
